

**A Gift to support CHRISTIAN EVANGELISM through music, dance and drama
has been sent in your honor**

CHRISTIAN COMMUNICATIONS INSTITUTE EVANGELISM

Chiang Mai, Thailand

CCI was founded in 1981 as an outreach of Payap University in northern Thailand. It communicates the Christian message through Thai music, dance and drama. Using traditional as well as modern art forms, CCI creates live programs in schools and communities throughout this rapidly developing Southeast Asian country where one percent of the population is Christian. Its team includes performing artists, audio-visual technicians and administrative staff. A large part of CCI's ministry is taking the message out into the community by performing at churches. Some small rural congregations are often unable to foot the bill for a CCI visit. This gift will help pay for a weekend village performance in a poor, rural community and communicate the Biblical message and thus shine the Light of Christ in Thailand.
