damaged in the Massive Explosion in Beirut**

THE OUTREACH FOUNDATION

BEIRUT, LEBANON

UPC helps support two PCUSA Mission co-Workers in Lebanon, working across the Middle East. The devastating explosion in Beirut in August damaged buildings across the city, including some used by amazing partners with which they work. Your gift will help rebuild facilities at the Near East School of Theology, an interdenominational Protestant seminary serving the Evangelical churches of the Middle East and African, and at the Blessed School for blind, autistic, and developmentally disabled students. This gift will help our partners return to their important work.
