

"Let Love Be Your Aim"

(1 Corinthians 14:1)

This call has been at the heart of University Presbyterian since its inception. In every aspect of our church life, **LOVE is our guiding principle**: love of God, love of others, and love of self. (Matt. 27:37-40)

The world has changed a lot in the past few years, but **love is still our aim - and is more important than ever**. Here's how we will live out that love in the coming year:

Love God

- thoughtful, intentional **worship experiences** (and keeping them accessible online)
- **expanding the music department** with a music resident and the Choristers program

Love Others

- working with local partners to address **food and housing insecurity**
- **intergenerational outreach opportunities** for all ages to serve

Love Self

- offering **spiritual nurture and compassionate care** to all
- helping children and youth know they are **beloved children of God**

Join us as we let love be our aim!

To love God, others, and ourselves is our call, and **we need your help to fulfill that call**. The gifts of **your time** and **your talents** make what we do as a church possible, and the gifts of **your financial resources** support our ongoing work and open the doors for new opportunities along the way.

Loving our Church Home

Our church home serves as the launching pad for all of our mission and ministry at UPC. It is a gift...and we are taking care of that gift through necessary maintenance and repairs.

We are anticipating some significant repairs in 2023, including humidity control in the sanctuary and a new boiler to heat the building. Our 2023 pledge need will help us meet these challenges and plan for the future care of the building.

2023 Pledge Need: \$1.95 million

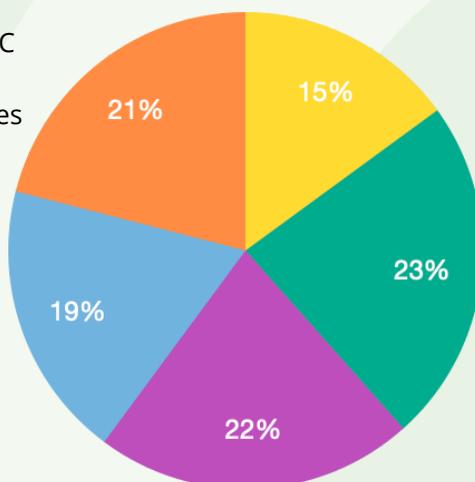

This need is a 13% increase of our 2022 pledge total and will help us continue to offer meaningful opportunities to love God, love others, and love ourselves.

Your pledge of financial support will help us as we plan for 2023 (and beyond) and continue to let love be our aim...together!
