Hearts with Haiti

Caring for the disabled and impoverished in Haiti

UPC's Haitian partners are among our longest and strongest connections, with visits from our Spring Mission teams keeping connections strong for more than 20 years. The St. Joseph Family works to **create a caring family for Haitians facing the challenges of poverty or disability** and fostering skills and opportunities for those in their community. They are dedicated to providing **a brighter, more sustainable future for Haiti**. Wings of Hope provides a home and family for 35 disabled children and young adults, in a state of the art facility in Jacmel.

HOW WILL MY GIFT HELP?

Your gift makes it possible for the trained and compassionate staff to provide education, round-the-clock care, and support for extraordinary medical issues. Through their care, the lives of children and young adults are transformed.
